

Rockway Glen Estate Wine Club

With over 150 acres of flourishing vineyards, our award winning vintner Jeff Innes is busy creating wines that will definitely impress. Rockway Glen Estate Winery produces a variety of Premium, Reserve and Specialty wines, many of them award winning. Most recently his 2005 Baco Noir placed Silver at a 2007 International Competition, Silver at the 2007 Ontario Wine Awards and Bronze at the 2007 All Canadian Wine Championships. His Ice Wine also won Silver at an International Wine Competition as well as being placed on the 'World's Best' wine list at the Royal York Hotel in Toronto. Also within the walls of the Estate Winery is Le Musee du Vin, where the art of wine making is brought to life and our Wine Boutique which has many different gift ideas.
